Gartner

The screenshot shows the Gartner website homepage. At the top, there are navigation links for 'Current Users', 'Sign In', 'New Users', and 'Register'. The main header features the Gartner logo, a search bar for 'SEARCH RESEARCH', and links for 'Advanced', 'Browse', and 'Help'. Below the header is a navigation menu with 'Why Use Gartner', 'Products & Services', 'Analysts & Consultants', 'Events', and 'About', along with a dropdown menu for 'Select a Gartner site'. The main content area is divided into several sections: 'Consulting' with a description and a 'Read More' link; 'Executive Programs' with a description and a 'Read More' link; 'SOA and EA Best Practices & Future Trends' with a 'Learn More' link; 'Research' featuring a 'COOL VENDORS 2008' banner and a list of research topics like 'Vista Uptake Slower Than Expected' and 'Apple P.A. Semi Deal Won't Change iPhone Yet'; 'Gartner Blogs' and 'Gartner Podcasts' with links to various content; and 'Events' listing several summits such as 'Outsourcing & Vendor Management Summit' and 'IT Security Summit'. A 'Gartner Budget Optimization' section is also visible at the bottom right.
